

**REMARKS**

In paragraph 1 of the Detailed Action attached to the Notice of Allowance and Allowability mailed on 7 June 2005 (Paper No. 29), the Examiner required submission of corrected drawing Figure 2 which incorporates the amendment proposed in page 2 of the Amendment filed on 26 June 2003. Specifically, correction of redundant use of reference numeral number "414" in Figure 2 is required.

It is submitted that Applicant has previously filed, together with the Amendment on 26 June 2003, corrected Figure 2 which incorporates the amendment proposed in page 2 of the Amendment filed on 26 June 2003.

In this regard, Applicant attaches herewith a copy of the postcard receipt dated 26 June 2003 which attests to the filing in the U.S. Patent & Trademark Office of corrected formal Figure 2 and Transmittal of that formal Figure 2 together with the Amendment responsive to paper No. 24 mailed on 27 March 2003.

Furthermore, the Examiner's attention is invited to the PTOL-326 attached to Paper No. 27 mailed on 18 October 2004. The Examiner acknowledged the filing and receipt of corrected formal Figure 2 by checking "item 10" of that PTOL-326, which states the drawing filed on **26 June 2003** is "accepted."

In view of the above, it is submitted that the Examiner's requirement for submission of

corrected Figure 2 which incorporates the amendment proposed in page 2 of the Amendment filed on 26 June 2003 is inappropriate, and should be withdrawn.

However, for the Office's convenience, Applicant again attaches corrected Figure 2 which incorporates the amendment proposed in page 2 of the Amendment filed on 26 June 2003. Specifically, one of the arrows connecting elements 420 and 440 is changed from 414 to 422. Entry of the attached Figure 2 is respectfully requested.

In view of the above, it is submitted that the claims of this application remain in condition for allowance, and early issuance thereof is solicited. Should any questions remain unresolved, the Examiner is requested to telephone Applicant's attorney.

Respectfully submitted,
